7.5 TENNIS/PADEL COURT BOOKING RULES

7.5.1 Definitions

“Booking Rules”: the Tennis / Padel booking rules

“Rules”: the Tennis / Padel rules

7.5.2 Introduction:

The Tennis/Padel Court Booking Rules, refers to all courts which are open for booking as well as for the Ladies’ Social & Men’s Tennis/Padel and all other organized sessions/clinics. It is the Members’ responsibility to understand and respect the “Tennis/Padel Rules” and “Tennis/Padel Court Schedules”. The Swiss Club Management and Members of the Tennis/Padel Committee have the right to always enforce these rules and to ensure the rules are followed.

7.5.3 Booking Rules:

Courts must be booked in the electronic Tennis/Padel Court booking system. For single games, 2 cards must be swiped through the card reader, for doubles games 4 cards must be swiped. The time slots are at 15-minute intervals and singles bookings are for 60 minutes, whereas doubles bookings are for 90 minutes.

If the electronic booking system is not available, the membership number or the word “Guest” has to be recorded on the displayed Tennis/Padel court booking sheet at the time you commence playing.

The Swiss Club Tennis/Padel Court booking system is based on first come first play. There will be no advanced booking. To book a court, Members must do so in person. If courts are already occupied, Tennis/Padel players may book the very next time slot available in the system. Booking for or on behalf of another Member is not allowed.

While a Member is playing on a court (including when taking lessons with a coach), he/she may not book another court. Members can book another court once they have completed their session.

All players’ membership cards must be swiped through the card reader of the electronic Tennis/Padel Court booking system to make a booking. If Members bring a guest, then guest cards must be bought from the Reception or at the Guardhouse and swiped through the electronic Tennis/Padel Court booking system. Players must only swipe their own individual card to make a booking and cannot use another Members’ card to make a booking. Members who forget to bring their membership card, have to buy a day membership card at the Reception. No guests are allowed on weekends and public holidays. Guests may not take part in Ladies’ & Men’s Social Tennis/Padel or all other organized tennis clinics.

There may only be a maximum of 2 bookings made at any one time with the same account number. A family, irrespective of the number of persons in that family may occupy only 2 courts at the same time.

Once a court has been booked but play has not commenced within 10 minutes of the booking time, the Member may have to forfeit the court if there are others waiting to play. If forfeiting the court, the booking must be cancelled in the electronic Tennis/Padel court booking system by the reception staff.

The Tennis/Padel Courts are to be used for Tennis/Padel only. Players must be dressed appropriately; this includes appropriate footwear.

Minimum age for Men’s and Ladies’ Social Tennis/Padel is 16.

Courts which are reserved for Coaching may be used when no coaching is in progress but must be cleared once coaching resumes.

Swiss Club-organized tournaments and inter-club competitions such as STA, LTA and WITS will have priority. Courts will be reserved for these matches. Members shall be notified of court reservations for these events.

7.5.4 Violation of the rules:

In case of violations of the Tennis/Padel Court booking rules, the Management will take disciplinary actions. For the first time violation, the Member will be issued a warning letter. In repeated cases, the membership card will be blocked in the system for a period of up to 3 months. The Member will have no access to the Tennis/Padel court during the block-out period and his name and membership number will be displayed on the notice board during the block-out period.

Any issues/topics not covered by the Tennis/Padel Court booking rules, should be referred to the Management of the Swiss Club.

If any difference or dispute shall arise as to the interpretation of these bylaws, the same shall be decided by the Main Committee after hearing the advice of the Tennis/Padel Committee and any decision by the Main Committee shall be final and binding on all Members of the Club.
